Dear Community, Living Sarnia-Lambton Employees

The Board of Directors would like to connect with all CLSL staff in this time of the COVID-19 pandemic. We are so grateful to each of you for doing your part to keep everyone as safe as possible. We know that you care deeply about the people our organization serves.

To those working in residential care, thank you for doing what you can to provide residents with the best quality of life that can be accessed during this period of restricted community opportunities. Thank you for doing what is needed to provide a healthy environment for both residents, and yourselves.

To those supporting others, thank you for continuing to reach out to them with caring and guidance.

To all staff members, we very much appreciate your kindness, compassion, strength, and patience as we face uncertainty and the challenges that will present themselves over the next days and weeks.

We now face unprecedented times, but would like to stay connected in a safe way. If you have pictures or inspiring stories that you would like to share, please forward them to Steve Colameco at [scolameco@communitylivingsarnia.org](mailto:scolameco@communitylivingsarnia.org), so they can be posted on Facebook and on our website for everyone to enjoy.

Particular thanks to everyone for vigilantly continuing to follow procedures and protocols as you work to care for some of the most vulnerable in our community. You are all heroes. Please stay safe and healthy.

Sincerely,

Chris King, President  
On behalf of the Board of Directors

*Enriching the lives of people who have an intellectual disability and their families*
