Community Living Sarnia-Lambton
551 Exmouth St
Sarnia, ON N7T 5P6

Dear Friend and Supporter

May is Community Living month, a province-wide annual awareness campaign created to promote true inclusion for people who have an intellectual/developmental disability. Community Living is dedicated to enriching the lives of people with an intellectual/developmental disability and their families by providing supports and services that promote individual choice and life-goal achievement.

As a resident of Sarnia-Lambton who believes strongly in the Community Living mission, I am inviting you and other local businesses and organizations to celebrate with us and help us to raise awareness by doing one or more of the following:

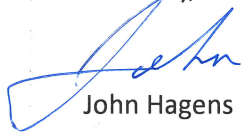

- Changing your message sign to read:
**"May is Community Living Month
... Inspiring Possibilities"**
- Displaying our lawn sign for others to see
- Changing your exterior lighting to blue and green, like the CN Tower, on May 1st or any other day in May.

Together, we can create a powerful message for inclusion that will inspire those around us.

Will you join us this year? If so, please let me know so that we can acknowledge and promote your support and participation.

We thank you in advance for your time and consideration. If you have any questions about this special month, please visit communitylivingontario.ca or communitylivingsarnia.org/contact or call us at 519-332-0560.

Sincerely,

John Hagens
Executive Director
Community Living Sarnia-Lambton

Enriching the lives of people who have an intellectual disability and their families
